

Resume of Verdad Systems Consultant

Sunil DeSilva

Core Profile:

- Senior IT Executive
- Strategic Planning
- IT Governance
- Mergers and Acquisitions

Experience Summary:

Sunil DeSilva is a senior Information Technology executive with over 25 years of IT experience in a variety of industries including health care, manufacturing, and food processing. His career has included managing global IT functions and organizations with a record of successful SAP and PeopleSoft implementations. As CIO of a world leading manufacturer of industrial coatings, electronic materials, chemicals and pharmaceuticals, Sunil led the Information Technology transformation to a fully integrated global organization through supply chain initiatives, integration of acquisitions, and with his negotiation skills reduced IT annual expenditures by \$3.5 million.

Mr. DeSilva's other major achievements include:

- Developed the Information Strategic Plan while CIO at **Ferro Corporation** in Cleveland that led to a Global SAP implementation and supply chain innovations saving over \$45 million in working capital.
- Led a worldwide staff of 135 professionals with an operating budget of \$26 million and capital budget of \$43 million.
- Established a global technology council at **Dole Foods** which set standard operating policies, technology standards, and software adoption guidance.
- Also while Dole, selected PeopleSoft (formally JDE) as the strategic partner for the successful implementation of a global financial consolidation system.

Previous to Ferro Corporation, Sunil was General Manager of Singapore based **iOM** (formally EDS Technology Services) providing outsourcing services in Asia and Europe. Sunil managed the US startup operations including marketing, client services, consulting and recruiting.

Prior to that, he was Vice President MIS & CIO for \$4.5 billion **Dole Food Company** in Westlake California. He managed a worldwide staff of 200+ with an operating budget of \$100 million.

Before moving to Dole he was Vice President MIS Cardiovascular Group that he attained by progressively rising through positions of greater responsibility over sixteen years at **Baxter Health** in Irvine, Ca.
